3090 Overview of Ventura River Water District

General Overview and History

The District is a water producer and retailer for the Mira Monte, Oak View and Casitas Springs areas of the Ojai Valley and a portion of the City of Ojai. It serves a population of approximately 5,700 and 2,162 connections. The District provides water treatment, domestic water service and fire service mainly from groundwater sources.

Water service in the Ojai Valley developed in a fragmented way as different areas and neighborhoods developed. The Ventura River Water District was formed on August 14, 1956, and this new District knitted together systems developed by 6 small mutual water companies and County water districts which served the Casitas Springs, Mira Monte, Live Oak Acres, Los Encinos and Oak View unincorporated areas. Subsequent annexation by the City of Ojai of some of this territory led to the District serving a small part of the City.

Mission Statement

It is the purpose of the District to serve the people of the District with excellent customer service by distributing water which meets or exceeds state and federal drinking water standards; and provide as little water as possible to make effective use of water resources and protect human health, all in a professional, competent and cost effective manner.

To do this effectively the District will communicate with the community to develop understanding and participation, develop professional competence in drinking water standards and technology and administration. Continue an organization of dedicated and certified people who are proud to serve the customers of this District to the best of their ability.

Purpose of This Policy

This policy has been prepared to inform new and existing employees of the policies and procedures of this District and to establish the District's expectations. This policy is not a contract, expressed or implied, guarantying employment for any length of time and is not intended to induce an employee to accept employment with the District.

The Board reserves the right to unilaterally revise, suspend, revoke, terminate or change any of its policies, in whole or in part, whether described within this policy or elsewhere, in its sole discretion. Every effort will be made to keep employees informed of the District's policies, however we cannot guarantee that notice of revisions will be provided. Employees are encouraged to ask questions about any of the information within this policy.

This policy supersedes and replaces any and all personnel policies and manuals previously distributed, made available or applicable to employees.

At-Will Employment

All employees of the Ventura River Water District are “at- will.” All District employees are free to quit for any reason, or no reason at all, and the District is equally free to terminate or demote individuals without notice and for any reason, with or without cause or good reason (subject, of course, to the District’s obligation under California and Federal law to not engage in illegal discrimination or terminate for an employee’s participation in certain protected activities). All employees will remain at-will unless their position is changed in writing by the General Manager. For example, only the General Manager can promise that a District employee will not be fired except for with “good cause,” or that the employee will be employed for a specified term, and as such the modification must be in writing to be enforceable.

An employee may appeal the General Manager’s termination decision to the Board of Directors after they utilize the Skelly review process as described in Section 3104. However, the Board’s decision shall be in the Board’s sole discretion and be final, and shall not imply an agreement with the employee to terminate only with “good cause,” or imply any other agreement which modifies the at-will nature of the employee’s employment.

Organizational Structure

The District has an elected Board of Directors. The day-to-day operations of the District are managed by the General Manager who reports directly to the Board. In addition to the General Manager, the District currently has the following positions which support District operations:

- Field Supervisor
- Utility Worker I
- Utility Worker II
- Office Manager
- Office Assistant

3100 Accommodations for Disability

3100.1 The employment related provisions of the Fair Employment and Housing Act (“FEHA”) and the Americans with Disabilities Act (“ADA”) apply to all employees and job applicants seeking employment with the District. Under the ADA, a qualified individual with a disability is an individual who, with or without reasonable accommodation, can perform the essential functions of the position in which the individual is employed.

3100.2 The District will attempt to provide reasonable accommodation for known physical or mental disabilities if a job applicant or employee is otherwise qualified, unless undue hardship related to the necessity of business operations would result, in accordance with federal or state law. An applicant or employee who requires accommodation in order to perform the essential functions of the job should inform the General Manager, or his or her supervisor, to request an evaluation of such an accommodation. Generally, an interactive process meeting will be scheduled to discuss the request, job duties and possible accommodations.

Employee or applicant should contact his or her supervisor or the General Manager for further information.

3102 Demotion – Non-disciplinary

3102.1 The General Manager may demote an employee, with the written consent of the employee, to a vacant position in lieu of layoff, provided the employee possesses the desired qualifications for the position to which he/she is assigned.

3102.2 At least five working days before a non-disciplinary demotion becomes effective, written notice of the action shall be provided to the employee and the Office Manager.

3102.3 The General Manager shall provide the employee with written job duties within five working days of starting the new position and a written performance review within six months. The employee shall be subject to a probationary period, generally a six month period. In the event that the employee does not perform satisfactorily within the probationary period, the General Manager shall have the discretion of extending the employee's probationary period or terminating the employee.

3104 Disciplinary Action

3104.1 The District expects all of its employees to act in the best interest of the District and its customers and residents. It is the responsibility of all employees to observe all rules, guidelines, and operating procedures of the District. The District further expects that each of its employees will act in a polite and professional manner when dealing with members of the public and other employees. These General Rules of Conduct, along with the "Examples of Unacceptable Conduct" listed below, are not meant to be all-inclusive, but rather to provide illustrations of acceptable conduct versus problematic conduct.

Provisions of this section shall not apply to reductions in force or reductions in pay, which are part of a general plan to reduce or adjust salaries and wages. However, any reduction in pay is subject to the meet and confer process pursuant to Government Code sections 3504.5 and 3505.

3104.4.10 Decision on the Appeal

The General Manager or appointed hearing officer shall render a written decision within thirty (30) days after concluding the hearing. The General Manager's decision shall be final and conclusive, except when an employee is suspended for more than three (3) days or discharged. 3108 Drug and Alcohol Testing

3108.1 Pre-Employment Drug Testing: As a part of the District's employment screening process, any applicant to whom a conditional offer of employment is made must pass a test for controlled substances, per procedures described below. The offer of employment is conditioned on a negative drug test result. Applicants will be informed of the District's drug testing policy in the employment application.

3108.2 Reasonable Suspicion Testing: If an employee's supervisor or manager has a verifiable and confirmed reasonable suspicion by at least two (2) people, including any Board Members, who are qualified by having reasonable suspicion training, that the employee is working in an impaired condition or otherwise engaging in conduct that violates these Guidelines, then the employee will be asked about any observed behavior or impaired condition and offered an opportunity to give a reasonable explanation. If the employee is unable to explain the behavior, he or she will be requested to take a drug test in accordance with the procedures described herein. If the employee refuses to cooperate with the administration of the drug test, the refusal will be handled in the same manner as a positive test result, which results in termination.

3108.3 On-the-Job Inquiry: Should an injury occur while working, a drug or alcohol test may be administered if the injured employee's supervisor has a reasonable suspicion that an employee was injured due to drug or alcohol use.

3108.4 Procedures for Drug Testing:

The employee will have the opportunity to alert the clinic or laboratory personnel to any prescription or non-prescription drugs that he or she has taken that may affect the outcome of the test. The clinic or laboratory will handle the required testing. The District will have no control over the clinic or laboratory's testing methods. The clinic or laboratory will inform the District as to whether or not the applicant passed or failed the drug test. If an employee fails the test, he or she will be considered to be in violation of these Guidelines and will be subject to discipline accordingly.

3108.5 Acknowledgment and Consent: Any employee subject to testing under this policy will be directed to sign a form acknowledging the procedures governing testing and authorizing (1) the collection of a urine sample for the purpose of determining the presence of alcohol or drugs, and (2) the release to the District of medical information regarding the test results. Refusal to sign the

authorization form or to submit to the drug test, will result in the revocation of an applicant's job offer, or will be considered the same as a positive test leading to termination.

- a) Employees hired to replace a regular employee who is on a leave of absence shall be hired as temporary employees unless said leave of absence is in excess of one hundred eighty (180) days.
- b) A temporary employee will receive not less than the minimum rate for the job, but will not be eligible for sick leave pay, holiday pay, PTO pay, insurance coverage or items of a similar nature, nor will he or she accrue seniority or leave of absence rights. A temporary employee may take time off without pay with the approval of his or her supervisor or the General Manager and shall be permitted to take time off for District-recognized holidays without pay.
- c) If a temporary employee is reclassified to probationary status, he or she will be credited with all continuous service in determining eligibility for such benefits that may accrue to him or her in his or her new status.

3116.4 A "Part-Time" employee is one who is hired to work within any job classification but whose position is not regular in nature. The part-time employee works whenever the District's workload increases to a level that regular employees cannot accommodate it. He or she also works standby as discussed in Section 3122, "Hours of Work and Overtime."

3116.5 An "Exempt" employee is an employee who is exempt from the minimum wage and overtime requirements of the Federal Fair Labor and Standard Act ("FLSA"). To be considered "exempt", an employee must work in a bona fide executive, administrative, or professional capacity and be paid on a salary basis as required by the FLSA. These positions shall be so designated in the Job Descriptions in Attachment H.

3116.6 A "Non-Exempt" employee is an employee who is not a bona fide executive, administrative, or professional employee as defined by the FLSA. Non-exempt employees can earn overtime pay in accordance with the overtime requirements of the FLSA.

3118 Equal Opportunity

3118.1 The District employs persons having the best available skills to efficiently provide high quality service to the public.

3118.2 The District provides equal opportunity for all persons in all aspects of employment, including recruitment, selection, promotion, transfer, training, compensation, educational assistance, benefits, discipline, working conditions, reduction in force, reinstatement, and all other matters of employment.

- a) Such equality of opportunity shall be based solely on job related knowledge, skills, and job performance, and shall be without discrimination because of race, color, religion, national origin, sex, age, sexual orientation, handicap, veteran status, or any other factor unrelated to job performance.

3120 Grievance Procedure

3120.1 This policy shall apply to all regular and probationary employees in all classifications.

3120.2 The purpose of this policy is to provide a procedure by which an employee may formally claim that he or she has been affected by a violation, misapplication, or misinterpretation of a law, District policy, rule, regulation, or instruction.

3120.3 Specifically excluded from the grievance procedure are subjects involving the amendment of state or federal law, resolutions adopted by the District's Board of Directors, ordinances or minute orders, including decisions regarding wages, hours, and terms and conditions of employment, and claims or complaints of alleged discrimination or harassment.

3120.4 Grievance Procedure Steps.

3120.4.1 **Level I, Preliminary Informal Resolution.** Any employee who believes he or she has a grievance shall present the evidence thereof orally to his or her immediate supervisor within five (5) working days after the employee knew, or reasonably should have known, of the circumstances which form the basis for the alleged grievance. The immediate supervisor shall hold discussions and attempt to resolve the matter within ten (10) working days after the discussions. It is the intent of this informal meeting that at least one (1) personal conference be held between the employee and the immediate supervisor. If the grievance is against the employee's supervisor, the employee may skip Level I and advance to Level II, provided he or she complies with all applicable time limits and other requirements for Level I.

3120.4.2 **Level II, General Manager.** If the grievance has not been resolved at Level I, the grievant may present his or her grievance in writing on a form provided by the District (attached hereto as Attachment F) to the General Manager within ten (10) working days after the occurrence of the act or omission giving rise to the grievance.

3120.4.2.1 The statement shall include the following:

- a) A concise statement of the grievance including specific reference to any law, policy, rule, regulation, and/or instruction deemed to be violated, misapplied or misinterpreted;
- b) The circumstances involved;
- c) The decision rendered by the immediate supervisor at Level I, if any;
- d) The dates when: (i) the grievance was first discussed with the immediate supervisor; (ii) the Level I response was issued, and (iii) the employee submitted the grievance to Level II; and
- e) The specific remedy sought.

3120.4.2.2 The General Manager shall communicate his or her decision within ten (10) calendar days after receiving the grievance. Decisions will be in writing

setting forth the decision and the reasons therefore and will be transmitted promptly to all parties in interest. If the General Manager does not respond within the time limits, the grievant may appeal to the next level. Time limits for appeal shall begin the day following receipt of the General Manager's written decision. Within the above time limits, either party may request a personal conference with the other.

3120.4.3 Level III, Board of Directors. In the event the grievant is not satisfied with the decision at Level II, the grievant may appeal the decision in writing on a form provided by the District (attached hereto as Attachment F) to the District Board of Directors within five (5) days. The statement shall include a copy of the original grievance; a copy of the written decision by the General Manager; and a clear, concise statement of the reasons for the appeal to Level III.

3120.4.3.1 The Board of Directors shall, within 30 days, schedule a hearing in closed session to formally receive the written grievance and the answers thereto at each step and to hear evidence regarding the issue or issues. The Board's decision shall be in the Board's sole discretion, be final and shall be announced in open session immediately after the closed session in which it was made.

3120.5 Basic Rules.

3120.5.1 If an employee does not present the grievance, or does not appeal the decision rendered regarding the grievance within the time limits specified above, the grievance shall be considered resolved.

3120.5.2 By agreement in writing, the parties may extend any and all time limitations specified above.

3120.5.3 The General Manager may temporarily suspend grievance processing on a District-wide basis in an emergency situation. Employees covered by this policy may appeal this decision to the Board of Directors.

3120.5.4 A copy of all formal grievance decisions shall be placed in the employee's permanent personnel file.

3120.6 Expungement of Written Reprimands: A written reprimand may be expunged upon sustained corrective behavior, as determined by the General Manager, after a period of three (3) years from the date of the reprimand. It is the responsibility of the employee to request that his or her personnel file be purged of the written reprimand.

3120.6.1 The General Manager will consider the following factors in making his or her decision to expunge a written reprimand:

- a) whether the employee received further discipline of any kind;

- b) employee's performance evaluation reviews are at least satisfactory in all categories; and
- c) that only one (1) expungement can occur during their employment with the District.

3122 Hours of Work and Overtime

3122.1 This policy shall apply to all non-exempt employees.

3122.2 The regular hours of work each day shall be consecutive except for interruptions for meal periods and breaks, or as otherwise approved by the General Manager in writing.

3122.3 A work week is defined to consist of seven (7) consecutive calendar days, Sunday through Saturday, and, except as otherwise provided herein, a basic work week is defined to consist of five (5) consecutive work days of eight (8) hours each, Monday through Friday. The regular work hours shall be 7:30 a.m. to 4:30 p.m. with one (1) hour off for lunch.

3122.4 Overtime is defined as:

- Time worked in excess of forty (40) hours in a work week;
- Time worked in excess of eight (8) hours on a scheduled work day if a five (5) day, eight (8) hour per day work week is in effect; or,
- Time worked on a designated holiday.

3122.5 All overtime work shall be authorized in advance by the General Manager. Employees working overtime without prior approval may be subject to discipline.

3122.6 A schedule is maintained by the Field Supervisor and approved by the General Manager whereby Utility Workers and the Field Supervisor are assigned on a rotational basis to be on "Standby" on weekends, holidays, and other times not considered regular hours of work for the District employees. The person on standby duty will retain a District vehicle for official use during this time.

3122.6.1 Standby Duty employees are paid 6.25% of their regular hourly rate per hour rate for each day they are on Standby. If these employees are called into work during this time, they will be paid for any Standby hours worked at the standard overtime rate. The Standby employee shall be paid a minimum of one hour for each after hours call out that occurs during a one hour period.

3122.6.3 When an employee is on Standby, he or she shall be provided a District cell

phone. The cell phone will be used to notify the Standby employees in the event of work immediately needed. The on-call employee is required to keep the cell phone in his or her possession during the entire Standby period of time. Notification of immediate work needed may also be given orally, in person, or telephonically, by the General Manager or the employee's supervisor.

When an employee is assigned to Standby duty, he or she shall be free to utilize his or her time as desired, but must be able to respond within twenty (20) minutes to any District facility. This will enable the Standby employee time to return to work in the event of an emergency call. Standby employees need to remain unimpaired (e.g., refraining from drinking alcoholic beverages, etc.) and able to perform all duties when on Standby.

3124 Letters of Recommendation

3124.1 The Board of Directors recognizes that the District faces exposure to significant liability through the provision of letters of recommendation by District employees. The Board finds that it is, therefore, in the best interest of the District to ensure that letters of recommendation issued by individuals in their capacity as District employees, or which could be reasonably interpreted as written in the individual's capacity as a District employee, be accurate and conform to all requirements of law. Therefore, all letters of recommendation shall be reviewed and approved by the General Manager before dissemination.

3124.1.1 The General Manager or designee shall process all requests for references, letters of recommendation, or information about the reasons for separation regarding all District employees other than himself or herself. All letters of recommendation to be issued on behalf of the District for current or former employees must be approved by the General Manager.

3124.1.2 At his or her discretion, the General Manager, or his or her designee, may refuse to give a recommendation. Any recommendation he or she gives shall provide a careful, truthful, and complete account of the employee's job performance and qualifications.

3126 Nepotism

3126.1 It is the policy of VRWD to seek for its staff the best possible candidates through appropriate search procedures. There shall be no bars to appointment of individuals who have close relatives in any staff category in the same or different departments so long as the following standard is met:

3126.1.1 No employee shall vote, make recommendations, or in any way participate in decisions about any personnel matter that may directly affect the selection, appointment, promotion, termination, other employment status, or interest of a close relative.

3126.1.1.1 For the purpose of this policy, "close relative" is defined as husband, wife, mother, father, son, daughter, sister, brother, father-in-law, mother-in-law, sister-in-law and brother-in-law.

3126.2 When an individual is considered for appointment in a department in which an immediate family member is already assigned, review of this fact shall be required at all appointing levels. The objective of this review shall be to assure equity to all members of the department.

3126.3 When an individual is considered for appointment in a department where a close relative has supervisory responsibility, the appointment shall not be granted.

3128 Payroll Deductions for Salaried Employees

3128.1 Employees paid on a "salary basis" regularly receive a predetermined amount of compensation each pay period. Subject to the exceptions listed below, a salaried employee will receive his or her full salary for any work week in which he or she performs any work, regardless of the number of days or hours worked. A salaried employee may not be paid for any work week in which he or she performs no work, subject to the District's benefits programs and policies.

3128.2 Deductions from pay are permissible when a salaried employee:

- Is absent from work for one (1) or more full days for personal reasons other than sickness or disability;
- Is absent for one (1) or more full days due to sickness or disability if the deduction is made in accordance with a plan, policy, or practice of providing compensation for salary lost due to illness;
- Is absent for military duty and performs no work during the time off;
- Works less than a full week during the initial or final week of employment;
- Violates safety rules of major significance; or
- Violates written workplace conduct rules applicable to all employees and is suspended without pay for one (1) or more full days.

3128.3 It is VRWD policy to comply with these salary basis requirements. Therefore, VRWD prohibits all employees and managers from making any improper deductions from the salaries of exempt employees. VRWD wants employees to be aware of this policy and know that VRWD does not allow deductions that violate Federal or State law.

3128.4 If you believe that an improper deduction from your salary has been made, you should immediately report this information to your direct supervisor.

3128.5 Reports of improper deductions will be investigated promptly. If it is determined that an improper deduction has occurred, you will be promptly reimbursed for any improper deduction made.

3128.6 Every employee is required to submit a Form W-4 at the beginning of each year to direct the payroll staff to make appropriate Federal and State income tax deductions.

3130 Performance Evaluation

3130.1 This policy shall apply to all employees.

3130.2 In order to provide employees with information concerning their employment progress and to identify areas to improve job performance, the employee's supervisor and General Manager will conduct formal written employee evaluations at least once per year. The employee's hire date anniversary is the preferred time for an annual evaluation.

Generally, employee evaluations may be performed at three (3) months and/or six (6) months after date of hire and shall be performed near the end of the twelve (12) month probationary period. In the event that an employee's supervisor or the General Manager determines that a regular part-time or regular full-time employee's job performance has not improved after receiving a written evaluation, the supervisor or the General Manager may elect to establish a performance improvement plan ("PIP"), also known as a performance action plan to provide an employee the opportunity to succeed while still being held accountable for past performance.

3130.3 Ratings: Performance evaluations shall be in writing on forms prescribed by the General Manager or his or her designee. The evaluation shall provide recognition for effective performance

and also identify areas that need improvement. All evaluations will have an overall evaluation of Unsatisfactory, Improvement Needed, Satisfactory, Above Satisfactory, or Outstanding.

- Unsatisfactory Work is well below the standard expected of a competent worker in that job position, a majority of the time. Unsatisfactory ratings must be substantiated in a written statement by the evaluator.
- Improvement needed performance is frequently less than the standard expected of a competent worker in that job position, and improvable with additional training, experience, and effort.
- Satisfactory Work performance consistently meets the standard expected of a competent worker in that job position.
- Above Satisfactory Work performance is generally above the standard expected of a competent worker in that job position, a majority of the time.
- Outstanding Work performance is consistently and distinctly well above the standard expected of a competent worker in that job position; performance is superior. Outstanding ratings must be substantiated in a written statement by the evaluator.

3130.4 Evaluation Procedure: The performance evaluation must be signed by the evaluator, as well as the employee, and discussed with the employee. Unscheduled performance evaluations may be made at the discretion of the General Manager or his or her designee. Performance evaluations can be appealed to the General Manager as outlined in the Grievance Procedure of these Guidelines. Employee evaluation grievances will only be considered by the General Manager; they will not be heard by the Board. The General Manager may only modify employee evaluations if there is a compelling reason to do so.

3134 Recruitment and Hiring

Recruitment:

3134.1 Announcement: All recruitments for classification vacancies within the District shall be publicized by such methods as the General Manager deems appropriate, consistent with District standards. Special recruiting shall be conducted, if necessary, to ensure that all segments of the community are aware of the forthcoming recruitment. Announcements shall specify the title and compensation of the classification; the nature of the work to be performed delineating the essential and marginal functions of the job; the minimum qualifications for the classification; the manner of making application; the examination components; and other pertinent information.

3134.2 Applications: Every applicant shall file a formal, signed District employment application. Other methods of acceptable application due to an applicant's disability will be considered. Application forms shall require information covering training, experience, and other pertinent information as required by the General Manager. The General Manager may also require applicants to submit additional job related information.

3134.3 Examinations: Examinations for the establishment of eligibility lists shall be competitive and by such character shall test and determine the qualifications, fitness, and ability of applicants to perform the essential functions of the classifications for which they seek appointment.

The examination may include an investigation of character, personality, education, experience, criminal history, credit bureau, drug & alcohol and any tests of intelligence, capacity, technical knowledge, manual skill, or job-related physical fitness that the General Manager deems appropriate.

The General Manager shall designate the procedure, time, place, and type of examination, the conditions under which it may be conducted, and the individual or competent agency who will conduct the examination. The District will make every reasonable effort to accommodate disabled applicants in the administration of employment tests in accordance with applicable law. Examinations may be promotional, open, or continuous as directed by the General Manager. In making a decision regarding the type of examination, the General Manager will consider the availability of qualified interested personnel in the District workforce, the possible Affirmative Action implications, and the need for expediency in filling the position.

3134.3.1 Open/Promotional Examinations: Any person who meets the requirements set forth in the open/promotional examination announcement may compete in open/promotional examinations. The General Manager may adopt and implement objective standards to initially screen applications in order to reduce the number of applicants to a manageable size.

3134.4 Disqualification: At any point in the recruitment and selection process, the General Manager may refuse to declare an applicant an eligible candidate, or may withhold or withdraw from certification, prior to appointment by the General Manager, anyone who:

- Has failed to provide proof for any of the requirements established in the announcement for the classification for which he or she applied;
- Has been convicted of a felony of such a nature as to have an adverse effect on the candidate's ability to perform the duties of the position;
- Has a history of dismissal from any position in public or private service for any cause which would be a cause for dismissal from District employment;
- Has practiced or attempted to practice any deception or fraud in his or her application, examination, or in securing eligibility; or
- Is otherwise not qualified for employment with the District.

3134.5 Decisions regarding employment are based upon an individual's qualifications for the applicable position as described below.

3134.5.1 Vacancies: Employees of the District are encouraged to apply for any vacant positions for which they are qualified. The District awards vacant positions to the applicants who are best suited to meet the needs of the District, regardless of whether the applicant is a current District employee or not.

If a vacancy is awarded to a current regular employee, that employee shall serve a six (6) month probationary period in that position with continued benefits for health care, sick leave, PTO and comp time-off. After the move to the vacant position, the employee may return to their previous position with written notice to and approval by the General Manager, so long as the position has not been filled.

3134.5.2 Selection of employees. The General Manager shall have full power and authority to employ and terminate the services of all employees, prescribe their duties, and fix their compensation within the Salary Range Schedule as set forth by the Board of Directors. All persons considered for employment with the District shall be qualified to perform the duties of the position for which they are employed. When the District has made a decision to hire, the District shall make a written job offer to the applicant. The District shall explain to the applicant that appointment is subject to: fingerprint check; medical examination, including pre-employment drug screening; verification of information contained in application; proof of citizenship; possession of a valid California driver's license in good standing; other matters as they relate to the requirements of the position; and, successful completion of probationary period.

- a) Citizenship Verification: All employees must provide necessary documentation to prove identity and their right to work in the United States in accordance with Federal and State Immigration and Naturalization laws. Failure to provide such documentation will result in disqualification from selection or immediate termination.

3134.5.3 Upon confirmation of employment, the District shall complete a Personnel Action (PA) form (Attachment A). The PA, which shall accompany the candidate's employment application, shall indicate the hiring date, beginning salary, range, and any other relevant information.

- b) 3134.5.4 On the first day of work, the new employee shall meet with the Office Manager to obtain information pertaining to benefits, retirement etc., depending upon eligibility. The Office Manager shall use the New Employee Checklist (Attachment B) to ensure that the new employee has been provided the appropriate information. The new employee shall sign the Acknowledgement Form (Attachment C) within one week of employment. The form shall be returned to the Office Manager and kept in the employees' personnel file.

3134.5.5 Probationary Period. The purpose of the probationary period is to give the District and the new employee the opportunity to determine whether employment relationship suits both parties. New employees will be enrolled in the District's health care coverage on the first of the month after the hire date. During the probationary period, the District evaluates the employee's job performance, and it is expected that the employee will use this time period to determine whether the District employment is satisfactory to him or her. Generally, employee evaluations may be performed at three (3) months and/or six (6) months after the date of hire and shall be performed at the end of the twelve (12) month

probationary period. The employee's supervisor will conduct a written performance evaluation to ascertain the advisability of continued employment on a regular basis. However, written evaluations may be done at any time during the probationary period if determined to be necessary by the Supervisor or the General Manager.

Regardless of whether the supervisor completes a written performance evaluation, probationary employees are at-will and the District retains the right to terminate employment with or without cause, during the probationary period, in accordance with California law. Similarly, the probationary employee can end his or her employment at any time with at least two (2) weeks' written notice.

New employees hired for regular positions serve a probationary period of twelve (12) months, commencing with their first day of employment. The General Manager, in conjunction with the employee's supervisor, may extend the probationary period one or more times if it is determined that such an extension is appropriate. The status of regular employment following the probationary period shall only occur after a successful evaluation has taken place, and only if confirmed in writing by the District.

If the job description requires a California Water Distribution or Treatment Operator Certificate, it must be obtained within 18 months of a promotion or the hire date and prior to employee being granted permanent full-time status.

3136 Separation from District Employment

3136.1 Resignation: To leave District service in good standing, an employee must file a written notice of resignation with the General Manager at least two (2) weeks before the effective date of separation of employment from the District. The General Manager may, however, grant good standing with less notice if he or she determines the circumstances warrant. Resignations may not be withdrawn without the General Manager's approval.

3136.2 Layoffs: Whenever, in the judgment of the District Board of Directors, it becomes necessary, due to the lack of work, lack of funds, or other economic reason, or because the necessity for a position no longer exists, the Board of Directors may abolish any position of employment, and the employee holding such position may be laid off or offered the option of moving to another position within the District, if a position is available and if the employee is qualified.

3136.2.1 Notification: Employees to be laid off will be given, whenever possible, at least fourteen calendar days prior notice, if possible.

3136.2.2 Order of Layoff: Employees are generally laid off in the inverse order of the value the skills they bring to the District and the District's current need for such skills.

3136.2.3 Transfer in Lieu of Layoff: An employee affected by layoff may be transferred to a vacant position within the same or comparable classification, or a vacant position in any former classification which the employee once held as a regular employee, provided that the employee meets the minimum qualifications of said position and the compensation is at the same or lower rate of pay.

3136.2.4 Re-employment Rights for Laid Off Employees: Regular employees who have been laid off shall be automatically placed on a re-employment list for two (2) years from the date of layoff for the classification from which they were laid off.

3136.3 Dismissal of Regular Employees. A regular employee may be dismissed at any time by the General Manager with or without cause and after following the proper disciplinary termination procedures as outlined in the "Disciplinary Action" section 3104 of these policies.

3136.3.1 A probationary employee may be terminated at any time during a probationary period without right of appeal or hearing. In case of such termination, the General Manager shall notify the probationary employee in writing that he or she is being separated from District service.

3136.3.2 Dismissal of the General Manager shall be as outlined in the employment agreement between the General Manager and the District.

3136.4 Exit Interview: For the purpose of ascertaining potential eligibility for unemployment insurance benefits, all employees separating from the District for any reason other than layoff or disciplinary action shall be given an interview prior to termination. The interview shall be conducted by the General Manager and shall produce specific information as to the causes and reasons for the separation. The information shall be recorded on a standard form provided by the District, which the employee shall be required to sign. A copy of the complete report shall be transmitted to the employee's immediate supervisor and General Manager for comment and be returned for retention in the employee's personnel file.

3136.5 Property Return Agreement. Upon employment with the District, each employee shall complete a Property Return Agreement if they receive any District property. Property includes, but is not limited to, laptops, cell phones, equipment, keys, reports, proprietary information, and any other job related materials. All District property must be returned prior to departure.

3136.6 Employment Reference Checks: All inquiries regarding a current or former District employee must be referred to the General Manager. Should an employee receive a written request for a reference, he or she must refer the request to the General Manager for handling. Employees may not issue a reference letter to any current or former employee without the permission of the General Manager.

Under no circumstances should an employee release any information about a current or former employee over the telephone. All telephone inquiries regarding any current or former employees of the District must be referred to the General Manager.

In response to an outside request for information regarding a current or former District employee, the General Manager will only verify an employee's name, date of employment, and job title. No other data regarding any current or former District employee will be released unless the employee authorizes the District to release such information in writing, or the District is required by law to furnish any information.

If, however, an employee is contacted to give a personal reference regarding a current or former District employee, he or she is permitted to do so and shall emphasize to the inquirer that the reference is personal only and not on behalf of the District. Failure to follow these directions may be cause for disciplinary action up to and including termination.

3138 Temporary Reclassifications

3138.1 The VRWD General Manager may temporarily assign an employee to perform work normally performed by another employee or position classification at a different level or salary.

3138.2 An employee temporarily assigned by the General Manager to perform work of a lower paid classification shall not have his or her salary reduced, and an employee temporarily assigned to perform work of a higher paid classification shall receive compensation equal to either the lowest salary step for that position or that would provide for an increase in pay or five percent (5%), whichever is less, for all time spent in the acting position in excess of four (4) consecutive work weeks. An approved reclassification shall continue only until such time as the employee is returned to his or her original job duties.

3138.3 Temporary assignments to a higher or lower paid class need to be in writing and approved by the General Manager in advance.

3140 Harassment

3140.1 Harassment and discrimination in employment on the basis of sex, race, color, national origin, ancestry, citizenship, religion, age, physical or mental disability, medical condition, sexual orientation, gender identity or gender expression, veteran status, marital status, registered domestic partner status, genetic information, or any other protected basis is prohibited by federal and state law. The District does not tolerate discrimination or harassment in the workplace or in a work-related situation. Discrimination and harassment are a violation of these Guidelines. Section 3140 shall also include and be applied to members of the District Board of Directors including the use of complaint procedures described herein.

3140.2 Harassment in employment may take many forms. Some examples include, but are not limited to:

- Retaliation by any of the above means for having reported harassment or discrimination, or having assisted another employee to report harassment or discrimination.

3140.3 Sexual harassment under state and federal laws is defined as unwelcomed sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

- Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual;
- Such conduct has the purpose or effect of substantially interfering with a person's work performance or creating an intimidating, hostile or offensive work environment; or adversely affected the employee's performance, appraisal, assigned duties, or any other condition of employment or career development; or
- Such conduct is offered in order to receive special treatment or in exchange for or in consideration of any personal action.

3140.4 Prohibited acts of sexual harassment can take a variety of forms ranging from unwanted verbal or physical actions, subtle pressure for sexual activity to physical assault. Sexual harassment conduct need not be motivated by sexual desire. Examples of the kinds of conduct included in the definition of sexual harassment are:

3140.5 Abusive conduct or workplace bullying of the District's employees, by any person in or from the work environment, is strictly prohibited. Abusive conduct or workplace bullying is the conduct of any employer or employee in the workplace, with malice, that a reasonable person would find hostile, offensive, and unrelated to an employer's legitimate business interest. Abusive conduct or workplace bullying includes, but is not limited to:

3140.7.2 A formal complaint is made in writing, using the "Expression of Concern Form," see "Attachment F". Said form should be submitted by the employee to their immediate supervisor. Although submitting the formal complaint with the immediate supervisor is preferred, the employee is free to submit a formal complaint with any supervisory employee, or with the President of the Board of

Upon conclusion of the investigation of an alleged harassment claim, appropriate action shall be taken by the General Manager against the harasser where harassment is found, including mandatory sexual harassment training to prevent future incidents. Whatever punishment given to the harasser shall be made known to the victim of the harassment.

3140.9.1 Appropriate action shall be taken to remedy the victim's loss, if any, resulting from the harassment. Making the employee whole may involve reinstatement, back pay, promotion, etc.

3140.9.2 Action taken to remedy a sexual harassment situation shall be done in a manner so as to protect potential future victims. An employee involved in a confirmed incident shall be removed from supervision of a person verified to have committed a harassment activity.

3140.10 Retaliation. Retaliation against any individual for making a report, or for participating in an investigation, under this policy is strictly prohibited. Individuals are protected by law and by District

policy from retaliation for opposing unlawful discriminatory practices, for filing an internal complaint under this policy or for filing a complaint with the Department of Fair Employment and Housing or Equal Employment Opportunity Commission, or for otherwise participating in any proceedings conducted by the District under this policy or by either of these agencies.

3142 Whistleblowing Policy

3142.1 It is the policy of VRWD that its employees should be free to report violations of law, abuse of authority, fraud, economic waste, or gross misconduct, incompetence or inefficiency without fear of retaliation or retribution. This policy is included here in because the Board believes it best serves itself and its customers when it can be candid and honest without reservation in conducting the business of the VRWD.

The VRWD prohibits retaliation by employees, Board members or volunteers against any staff member, Board member, volunteer or customer for making good faith complaints, reports or inquiries regarding illegal or improper activities under this policy to the VRWD or any law enforcement agency, or for participating in a review or investigation of any such complaints under this policy. This protection extends to those whose allegations are made in good faith, but prove to be mistaken. The VRWD reserves the right to discipline persons who make bad faith, knowingly false, or vexatious complaints or reports regarding alleged illegal or improper activities, or who otherwise abuse this policy.

Therefore, the purpose of this policy is to: (1) encourage staff, Board members, volunteers and customers to report to the VRWD any credible information in their possession regarding illegal or improper activities and/or retaliation as defined herein, including violations of the VRWD's policies, promptly to those members of the VRWD specified in this policy; and (2) prohibit the VRWD's Board of Directors, General Manager and supervising employees from retaliating against any employee who reports illegal or improper activities to the VRWD or law enforcement agencies as provided herein; and (3) specify a procedure by which information regarding illegal or improper activities of or retaliation by members of the Board of Directors or employees can be reported to the VRWD and investigated; and (4) provide a hearing process to any employee or Board member who has filed a written complaint with the VRWD alleging actual or attempted acts of retaliation in response to having made a protected disclosure to the VRWD or law enforcement protected by this policy.

3142.2 Definitions:

- a) "Illegal Order" means a directive to violate or assist in violating a federal, state or local law, rule or regulation, or an order to an employee to work or cause others to work in conditions outside of their scope of duty that could unreasonably threaten the health and safety of

employees or the public.

- b) "Illegal or Improper Activity" means an activity by a member of the Board of Directors, an employee, or a volunteer of the VRWD that is undertaken in the performance of that person's duties that is either: (1) a violation of any state or federal law or regulation including, but not limited to, corruption, malfeasance, bribery, theft of property, fraud, coercion, conversion, abuse of property or willful omission to perform a duty; or (2) violates VRWD policies, is economically wasteful, or involves gross misconduct or incompetency. - d) "Retaliation" means an employee or director using or attempting to use his or her official authority or influence over an employee to intimidate, threaten, or coerce any employee in order to interfere with the rights of employees to freely report Illegal or Improper Activity to the VRWD or a law enforcement agency. Retaliation includes, but is not limited to, promising to confer, or conferring any benefit; affecting or threatening to affect any reprisal; or taking or directing others to take, recommend, or approve any personnel action against an employee making a Protected Disclosure including, but not limited to, demotion, transfer, assignment, performance evaluation, suspension, or other disciplinary action including termination.

3142.3 Encouragement of reporting of illegal or improper activity: VRWD encourages employees and members of the Board to file complaints or reports about Illegal Orders or Illegal or Improper Activity or alleged Retaliation with the General Manager. All such complaints shall include specific facts supporting any allegation of Illegal or Improper Activity, or Retaliation, as defined by this policy. Complaints of Illegal or Improper Activity or Retaliation may be made anonymously, but such anonymity may impede the ability of the DISTRICT to conduct a thorough investigation. If the General Manager is alleged to be involved in the complaint or report, then such complaint shall be filed with the President of the Board of Directors. If the President of the Board is also alleged to be involved in the complaint, then the complaint or report shall be filed with the VRWD's General Counsel.

Other allegations with respect to which the VRWD has an existing complaint, grievance or appeal procedures as specified in the DISTRICT's policies should be addressed pursuant to those procedures, such as issues of alleged discrimination or harassment which are processed by the General Manager.

This policy is not intended to provide a procedure for the filing of employee or Board member complaints regarding any employment issues other than whistleblowing activities and protection of employees from Retaliation for making Protected Disclosures.

3142.4 Investigations of Allegations of Illegal or Improper Activity: The General Manager may request that a person submitting a complaint alleging Illegal or Improper Activity provide his or her name and contact information and provide the names and contact information for any persons who could help substantiate the claim. However, this information is not required in order to submit a complaint.

Upon receiving a complaint from any employee or member of the Board that an employee or Board member has engaged in an Illegal or Improper Activity, the General Manager will conduct an investigation of the allegations in the complaint. The identity of the person filing the complaint, or of any person providing information in confidence regarding the facts in the complaint shall not be disclosed without the express permission of the person providing the information. However, the General Manager may disclose the facts in the complaint to a law enforcement agency in the event that an allegation of criminal conduct is contained in the complaint filed with the VRWD.

The General Manager may request the assistance of VRWD General Counsel and/or any outside consultant for assistance in evaluating an allegation of Illegal or Improper Activity or conducting an investigation of Illegal or Improper Activity as authorized by this policy. The General Manager shall investigate the allegations in the complaint and prepare a report of the results of the investigation within sixty (60) days of the date of the complaint.

If, upon completion of the investigation, the General Manager finds that an employee or Board member may have engaged or participated in an Illegal or Improper Activity, the General Manager shall make such findings in the investigative report and include recommended actions to prevent the continuation or recurrence of the Illegal or Improper Activity. Such recommendations may include taking disciplinary action against those employees found to have violated this policy, which action may be taken by the General Manager. The investigative report may also recommend imposing sanctions, including loss of office, on those Board members found to have violated this policy. In that event the report shall be filed with the Board of Directors which shall comply with the policies of the VRWD in initiating discipline against a member of the Board of Directors. The VRWD shall keep confidential all investigation work product including the investigative report.

3142.5 Complaints of Retaliation and Investigation. An employee or volunteer who believes he or she has been subjected to Retaliation as defined and prohibited by this policy shall file a written complaint with the General Manager which specifies the alleged retaliatory conduct and identifies the individuals allegedly engaged in such conduct.

Upon receipt of the complaint the General Manager shall commence an investigation of the allegations contained in the complaint of Retaliation, which shall include interviews of the complainant and any potential witnesses. The General Manager may utilize the services of VRWD General Counsel and/or other consultants in conducting such investigation and preparing an

investigation report. A written investigation report regarding the alleged Retaliation shall be completed within thirty (30) days of receipt of a complaint of Retaliation.

Based on the investigation, the General Manager shall make a determination as to whether Retaliation occurred in violation of this policy and, if so, what steps should be taken to remedy the situation. The General Manager's decision shall be communicated to the complaining employee. In making his or her determination, if it is alleged that improper disciplinary action was taken against the complaining employee in Retaliation for having made a Protected Disclosure, the General Manager shall consider whether the taking or failing to take any personnel action with respect to an employee who has complained of Retaliation is justified on the basis of evidence separate and apart from the fact that the person has made a Protected Disclosure, such as inadequate job performance. If the evidence in the investigation reveals that a Protected Disclosure was a contributing factor in the alleged Retaliation against a former or current employee, the burden of proof shall be on the supervisor or other employee imposing the discipline to demonstrate by clear and convincing evidence that the alleged personnel action would have occurred for legitimate, independent reasons even if the complaining employee had not engaged in Protected Disclosures of Illegal or Improper Activity.

The investigation report of the alleged Retaliation prepared by the General Manager shall include a written decision as to whether this policy has been violated. If the investigation report concludes that this policy has not been violated and the complaining employee disagrees with the determination of the General Manager, the complaining employee may appeal in writing the decision to the Board of Directors. That appeal must be filed within ten (10) business days of receipt of the investigation report and decision of the General Manager.

If an appeal is filed, the Board of Directors shall conduct a hearing of the complaining employee's appeal and hear and receive all evidence submitted by the complaining employee. In hearing the appeal, the Board may take evidence, and hear testimony from the complaining employee and other witnesses. The Board shall consider whether an activity protected by this policy was a contributing factor in the alleged Retaliation against the complaining employee and if the alleged retaliatory action could have occurred for legitimate, independent business reasons even if the complaining employee had not made Protected Disclosures. The Board shall render a final decision in writing to the complaining employee within thirty (30) days after completing the hearing which concludes whether Retaliation prohibited by this policy has occurred or not. If the Board finds that the provisions of this policy have been violated, it shall order that any personnel action taken against the complaining employee be reversed and that a memorandum be placed in the employee's personnel file indicating the results of the decision of the Board of Directors on appeal.

A complaining employee shall be required to exhaust his or her administrative remedies by filing an appeal with the Board of Directors regarding any alleged violation of this policy before being

entitled to commence a civil action in the Superior Court.

3200 Dress Code & Personal Standards

3200.1 At VRWD, professional image is important and is maintained, in part, by the image that employees present to visitors, vendors, and others in our community. Any non-conforming piercing shall be removed, covered with a bandage, or replaced with a clear, plastic spacer while the employee is working.

3200.4 Non-Compliance

Employees who are inappropriately dressed may be sent home and directed to return to work in the proper attire. Non-exempt employees will not be compensated for the time away from work. Employees who violate VRWD dress code policy or grooming standards will be subject to corrective action and disciplinary action, up to and including termination.

3220.3 When an employee for whom said uniforms, clothing, shoes, etc., were purchased or reimbursed is terminated for any reason prior to completing three (3) continuous months of service after said purchase, a portion of the cost of said items shall be retained from his or her final payment. 3300 Internet, Email, Cell phone and Electronic Communications

3300.1 The District believes that employee access to and use of the internet, email, cell phone and other electronic communications resources, benefits the District and makes it a more successful local public agency. However, the misuses of these resources have the potential to harm the District's short and long-term success. Employees should have no expectation of privacy in work-related emails, tablet, cell phone or internet usage while using District equipment. The District has established this policy to ensure that the District employees use the District-provided electronic resources in an appropriate manner.

On the work days before Thanksgiving, Christmas, New Years and the Friday before Easter the office shall close at 11:30 A.M. and employees shall be entitled to 4 hours of holiday time on those days.

3425.3 All regular work shall be suspended and employees shall receive one-day's pay for each of the holidays listed above. A full-time employee is eligible for any paid holiday if he/she works the day before and the day after said holiday. Eligibility is also granted if the employee was on PTO or had notified the General Manager and received permission to be absent from work on that specific day or days.

3425.4 Whenever a holiday falls on Saturday, the preceding Friday shall be observed as the holiday. Whenever a holiday falls on Sunday, the following Monday shall be observed as the holiday.

3425.5 When an employee is taking an authorized leave with pay when a holiday occurs, said holiday shall not be charged against said leave with pay.

3425.6 While not required by law, if any non-exempt employee works on any of the holidays listed above, he/she shall, in addition to his/her holiday pay, be paid for all hours worked at the rate of time and one-half (1½) his/her regular rate of pay, or as otherwise specified under Section 3122, "Hours of Work and Overtime."

3435 Jury Duty

3435.1 This policy shall apply to probationary and regular employees in all classifications.

3435.2 An employee summoned for jury duty will immediately notify his/her immediate supervisor.

3435.3 While serving on a jury, an employee will be given a paid leave of absence for the duration of said jury duty. Said leave of absence is conditional upon the employee returning to work upon

dismissal each day to complete his/her remaining normal workaday. It is also conditional upon the employee's conveyance to the District of any compensation received as a juror, not including any travel allowance received.

3440 Leave for Crime Victims and Family Members

3440.1 An employee who is a victim of a crime, a member of a crime victim's immediate family (spouse, child, stepchild, sibling, stepsibling, parent, or stepparent), a registered domestic partner of a crime victim, or the child of a registered domestic partner of a crime victim shall be allowed to be absent from work in order to attend judicial proceedings related to that crime, subject to the District's General Manager determining that work requirements may be maintained during the absence.

3440.2 "Victim" means a person against whom one of the following crimes has been committed:

- a) A violent felony, as defined in subdivision (c) of Section 667.5 of the Penal Code;
- b) A serious felony, as defined in subdivision (c) of Section 1192.7 of the Penal Code; or
- c) A felony provision of law proscribing theft or embezzlement.

3440.3 Prior to an employee being absent from work, the employee must provide the District with a copy of the official notice provided to the victim of each scheduled proceeding.

3440.4 An employee absent from work to attend a scheduled proceeding may elect to use accrued PTO leave, sick leave, compensatory time off, or unpaid leave time.

3440.5 The District shall keep confidential any records regarding an employee's absence from work pursuant to this Policy.

3445 Military Leave

3445.1 Military leave is a form of a personal leave of absence subject to federal and state applicable laws and regulations. Leaves of absence and re-employment resulting from service in the National Guard or U.S. Military Armed Forces will be in accordance with applicable State and Federal laws. A copy of the applicable, official military orders for training or active duty must accompany an employee's request for a leave of absence.

3445.2 An employee who is assigned to an U.S. Military Armed Forces Reserve organization and is subject to active or inactive duty training will be granted leaves of absence without pay, generally for up to two (2) weeks per calendar year unless additional time is approved by the General Manager or Board of Directors.

3445.3 The following conditions also apply: The employee may remain in paid status while using appropriate accrued leave balances (PTO) to supplement his/her military pay to maintain the equivalent of full salary.

3450 Pregnancy Disability Leave

3450.1 Any female employee planning to take Pregnancy Disability Leave (PDL) should advise their supervisor as soon as possible. The employee should also inform her supervisor when such leave is expected to begin and how long it will likely last. The employee should make arrangements with her supervisor regarding the scheduling of any planned medical treatment or appointments in order to minimize disruption to the operations of VRWD.

3450.2 Upon the request of an employee and recommendation of the employee's health care provider, the employee's work assignment may be modified if necessary to protect the health and safety of the employee and her child.

3450.3 The following conditions also apply:

3450.3.1 PDL begins when ordered by the employee's health care provider. The employee must provide their supervisor with a certification from a health care provider containing:

- a) The date on which the employee became disabled due to pregnancy;
- b) The probable duration of the period or periods of disability; and
- c) A statement that, due to the disability, the employee is unable to perform one or more of the essential functions of her position without undue risk to herself, the successful completion of her pregnancy, or to other persons.
- d) Return to work from PDL will be allowed only when the employee's health care provider endorses a release that must be submitted to the employee's supervisor.

3450.3.2 The duration of the leave will be determined by the employee's health care provider, but in accordance with regulations may be for not more than 17 1/3 weeks or 693 hours. Regular part-time employees are entitled to leave on a pro rata basis. The 17 1/3 weeks or 693 hours of available leave includes any period of time for actual disability caused by the employee's pregnancy, childbirth, or related medical condition. This includes leave for severe morning sickness and for prenatal care.

3450.3.3 The employee will remain in paid status while using appropriate accrued leave (sick or PTO) during a PDL to satisfy any disability waiting periods and/or to supplement disability benefits in order to maintain the equivalent of full salary.

3450.3.4 The employee will be in non-paid status after exhaustion of appropriate accrued leave balances or at the employee's election to not use accrued leave benefits.

3450.3.5 During the period of PDL, VRWD will continue payment of all premiums for employee benefit plans in place at the time the leave begins. VRWD will also continue the employer contribution for employee benefit premiums as if the employee were not in leave status, as required by law or regulations. CalPERS contributions cease when the employee is on unpaid leave. The employee must reimburse VRWD for any portion of benefits they would have paid through payroll deduction. Such reimbursement must be received by VRWD within 30 days of the date of the invoice or written notification. If VRWD does not receive the reimbursement from the employee within 30 days, VRWD can cancel any policies and/or plans for which they have not been reimbursed.

3450.4 Under most circumstances, upon submission of a medical certification that an employee is able to return to work from a PDL, an employee will be reinstated to her same position held at the time the leave began or to an equivalent position, if available.

3455 Rest & Meal Periods

3455.1 While not required by law, all regular, full-time non-exempt employees shall take a mandatory lunch break (30-minutes minimum, typically 1-hour) after a maximum work period of 5 hours. Non-exempt employees are permitted to take a 10-minute rest period during each 4 hour work period.

3455.2 Employees are required to notify their immediate supervisor, where feasible, at the beginning of any break or meal periods. Please keep in mind that when employees are not on a break, they are expected to devote their full efforts to their duties.

3460 Sick Leave

3460.1 This policy shall apply to probationary and regular employees in all classifications.

3460.2 Sick leave is defined as absence from work due to illness, non-industrial injury, or quarantine due to exposure to a contagious disease. In addition, dentist and doctor appointments and prescribed sickness prevention measures shall be subject to sick leave provided prior notice is provided to the employee's supervisor or General Manager.

3460.3 Beginning January 1, 2020 Sick Leave is no longer earned by employees but PTO time (Section 3490.2) has been increased by the rate of one working day per month. Existing Sick Leave on the books for each employee will remain and be subject to Section 3460 until utilized or terminated per this section.

3460.4 Each employee may use accrued sick leave, up to half the time accrued per calendar year, as kin care leave, to care for sick immediate-family members. It is provided for those circumstances where the employee must take time off to care for a sick family member, regardless of the

seriousness of the illness. Employees shall notify their supervisor in order to avoid disruptions in work schedule as a result of use of kin care time. Family members covered include parents, children and spouses and are defined as follows:

3460.4.1 A “child” means a biological, adopted or foster child, a stepchild, a legal ward or a child for whom an employee has accepted the duties and responsibilities of raising, such as where a grandparent raises his/her grandchild.

3460.4.2 A “parent” means a biological, foster or adoptive parent, a stepparent or legal guardian. Mothers-in-law, fathers-in-law and grandparents are also considered “parents for purposes of this division.

3460.4.3 The term “spouse” applies only to an individual to whom the employee is legally married.

3460.5 In order to receive compensation while on sick leave, the employee shall notify his/her supervisor prior to the time for beginning the regular work day, or as soon thereafter as practical.

3460.6 An employee who is absent from work due to illness for more than three (3) days may be required to file a written statement from an attending physician. After five (5) days the employee shall be required to file a written statement from an attending physician.

3460.7 Unused sick-leave time may be "bought back" by the District at a rate of one-half (½) day for each whole day accrued. Said buy back shall be limited only to time over and above 30 days of accrued sick leave. No more than 12 days of accrued sick leave shall be bought back in any given calendar year unless employment is terminated for non-cause reasons, in which case all accrued sick leave over and above 30 days shall be bought back at said one-half (½) rate. Termination for cause shall result in loss of all accrued sick leave.

3462 Family Care and Medical Leave Policy (FMLA)

3462.1 STATEMENT OF POLICY

To the extent not already provided for under current leave policies and provisions, the Ventura River Water District will provide family and medical care leave (FMLA) for eligible employees as described in this article. State and federal law requires FMLA for employers larger than 50 employees but the Board of Directors desires to offer this FMLA program to its employees. The following provisions set forth certain rights and obligations with respect to such leave. There may be provisions in the Department of Labor regulations implementing the Federal Family and Medical Leave Act of 1993 (“FMLA”), and in the regulations of the California Family Rights Act (“CFRA”) that are not described in this article, however the Ventura River Water District is only committing to the

provisions in this article. Unless otherwise provided by this article, “Leave” under this article shall mean leave pursuant to the FMLA and CFRA.

3462.2 DEFINITIONS

- A. “12-Month Period” means a rolling 12-month period measured backward from the date leave is taken and continuous with each additional leave day taken.
- B. “Child” means a child under 18 years of age, or 18 years of age and older who is incapable of self-care because of a mental or physical disability. An employee’s child is one for whom the employee has actual day-to-day responsibility for care and includes a biological, adopted, foster or step-child.

A child is “incapable of self-care” if he/she requires active assistance or supervision to provide daily self-care in three or more of the activities of daily living or instrumental activities of daily living—such as, caring for grooming and hygiene, bathing, dressing and eating, cooking, cleaning, shopping, taking public transportation, paying bills, maintaining a residence, using telephones and directories, etc.

- C. “Parent” means the biological parent of an employee or an individual who stands or stood in loco parentis (in place of a parent) to an employee when the employee was a child. This term does not include parents-in-law.
- D. “Spouse” means a husband or wife as defined or recognized under California State law for purposes of marriage.
- E. “Domestic Partner,” as defined by Family Code §§ 297 and 299.2, shall have the same meaning as “Spouse” for purposes of CFRA Leave.
- F. “Serious health condition” means an illness, injury impairment, or physical or mental condition that involves:
 - 1. Inpatient Care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity (i.e., inability to work, or perform other regular daily activities due to the serious health condition, treatment involved, or recovery therefrom); or
 - 2. Continuing treatment by a health care provider: A serious health condition involving continuing treatment by a health care provider includes any one or more of the following:
 - a) A period of incapacity (i.e., inability to work, or perform other regular daily activities) due to serious health condition of more than three consecutive calendar days, and any subsequent treatment or period of incapacity relating to the same condition, that also involves:
 - i) Treatment two or more times by a health care provider, by a nurse or physician’s assistant under direct supervision by a health care provider, or by a provider of

- health care services (e.g., a physical therapist) under orders of, or on referral by a health care provider; or
- ii) Treatment by a health care provider on at least one occasion which results in a regimen of continuing treatment under the supervision of the health care provider. This includes for example, a course of prescription medication or therapy requiring special equipment to resolve or alleviate the health condition. If the medication is over the counter, and can be initiated without a visit to a health care provider, it does not constitute a regimen of continuing treatment.
- b) Any period of incapacity due to pregnancy or for prenatal care. (This entitles the employee to FMLA leave, but not CFRA leave. Under California law, an employee disabled by pregnancy is entitled to pregnancy disability leave.)
 - c) Any period of incapacity or treatment for such incapacity due to a chronic serious health condition. A chronic serious health condition is one which:
 - i) Requires periodic visits for treatment by a health care provider, or by a nurse or physician's assistant under direct supervision of a health care provider;
 - ii) Continues over an extended period of time (including recurring episodes of a single underlying condition); and
 - iii) May cause episodic rather than a continuing period of incapacity (e.g., asthma, diabetes, epilepsy, etc.). Absences for such incapacity qualify for leave even if the absence lasts only one day.
 - d) A period of incapacity which is permanent or long term due to a condition for which treatment may not be effective. The employee or family member must be under the continuing supervision of, but need not be receiving active treatment by, a health care provider.
 - e) Any period of absence to receive multiple treatments (including any period of recovery therefrom) by a health care provider or by a provider of health care services under orders of, or on referral by, a health care provider, either for restorative surgery after an accident or other injury, or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.

G. "Health Care Provider" means:

1. A doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State of California;
2. Individuals duly licensed as a physician, surgeon, or osteopathic physician or surgeon in another state or jurisdiction, including another country, who directly treats or supervises treatment of a serious health condition;
3. Podiatrists, dentists, clinical psychologists, optometrists, and chiropractors (limited to treatment consisting of manual manipulation of the spine to correct a subluxation

as demonstrated by X-ray to exist) authorized to practice in California and performing within the scope of their practice as defined under California State law;

4. Nurse practitioners and nurse-midwives and clinical social workers who are authorized to practice under California State law and who are performing within the scope of their practice as defined under California State law;
5. Christian Science practitioners listed with the First Church of Christ, Scientist in Boston, Massachusetts; and
6. Any health care provider from whom an employer or group health plan's benefits manager will accept certification of the existence of a serious health condition to substantiate a claim for benefits.

3462.3 REASONS FOR LEAVE

Leave is only permitted for the following reasons:

1. The birth of the employees child or to care for a newborn of an employee;
2. The placement of a child with an employee in connection with the adoption or foster care of a child;
3. Leave to care for the employees child, parent, spouse, grandparent, grandchild, sibling or parent-in-law or domestic partner who has a serious health condition; or
4. Leave because of a serious health condition that makes the employee unable to perform the functions of his/her position.

3462.4 EMPLOYEES ELIGIBLE FOR LEAVE

An employee is eligible for leave if the employee:

1. Has been employed for at least 12 months; and
2. Has been employed for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave.

3462.4 AMOUNT OF LEAVE

Eligible employees are entitled to a total of 12 workweeks of leave during any 12-month period.

- A. Minimum Duration of Leave

If leave is requested for the birth, adoption or foster care placement of a child of the employee, leave must be concluded within one year of the birth or placement of the child. In addition, the basic minimum duration of such leave is two weeks. However, an employee is entitled to leave for one of these purposes (e.g., bonding with a newborn) for at least one day, but less than two weeks duration on any two occasions.

If leave is requested to care for a child, parent, spouse or the employee him/herself with a serious health condition, there is no minimum amount of leave that must be taken. However, the notice and medical certification provisions of this policy must be complied with.

B. Spouses Both Employed By Ventura River Water District

In any case in which a husband and wife both employed by Ventura River Water District are entitled to leave, the aggregate number of workweeks of leave to which both may be entitled may be limited to 12 workweeks during any 12-month period if leave is taken for the birth or placement for adoption or foster care of the employees' child (i.e., bonding leave). This limitation does not apply to any other type of leave under this policy.

3462.5 EMPLOYEE BENEFITS WHILE ON LEAVE

Leave under this policy is unpaid. While on leave, employees will continue to be covered by Ventura River Water District's group health insurance with the district paying the group health insurance premium to the same extent that coverage is provided while the employee is on the job. During the period of time that the employee has unpaid leave, the employee and employer contributions to CalPers will not be made.

If an employee fails to return to work after his/her leave entitlement has been exhausted or expires, Ventura River Water District shall have the right to recover its share of health plan premiums for the entire leave period, unless the employee does not return because of the continuation, recurrence, or onset of a serious health condition of the employee or his/her family member which would entitle the employee to leave, or because of circumstances beyond the employee's control. Ventura River Water District shall have the right to recover premiums through deduction from any sums due the District's (e.g. unpaid wages, PTO pay, etc.).

3462.6 SUBSTITUTION OF PAID ACCRUED LEAVES

While on leave under this policy, as set forth herein, an employee may elect to concurrently use paid accrued leaves. Similarly, Ventura River Water District may require an employee to concurrently use paid accrued leaves after requesting FMLA and/or CFRA leave, and, (where will permissible by law) will also require an employee to use family and medical care leave concurrently with a non-FMLA/CFRA leave (such as Sick Leave or Worker's Compensation Leave) which is FMLA/CFRA-qualifying.

A. Employee's Right To Use Paid Accrued Leaves Concurrently With Family Leave

Where an employee has earned or accrued paid PTO, sick leave, or compensatory time, that paid leave may be substituted for all or part of any (otherwise) unpaid leave under this policy.

As for sick leave, an employee is entitled to use sick leave concurrently with leave under this policy if:

1. The leave is for the employee's own serious health condition; or
2. The leave is needed to care for a parent, spouse or child with a serious health condition, and would be permitted as sick leave under the District's sick leave policy.

B. Ventura River Water District's Right To Require An Employee To Use Paid Leave When Using FMLA/CFRA Leave

Unless prohibited by law, employees must exhaust their accrued leaves concurrently with FMLA/CFRA leave to the same extent that employees have the right to use their accrued leaves concurrently with FMLA/CFRA leave, with three exceptions:

1. Employees are not required to use accrued compensatory time earned in lieu of overtime earned pursuant to the Fair Labor Standards Act; and
2. Employees will only be required to use sick leave concurrently with FMLA/CFRA leave if the leave is for the employee's own serious health condition.
3. Upon the exhaustion of sick leave for the care of employee's own serious health condition, employees will be required to use PTO concurrently with FMLA/CFRA leave, unless they have a properly executed exception request on file with the District at least 3 weeks prior to commencement of an FMLA/CFRA leave.

C. Ventura River Water District's Right To Require An Employee To Exhaust FMLA/CFRA Leave Concurrently With Other Leaves

If an employee takes a leave of absence for any reason which is FMLA/CFRA- qualifying, the District's may designate that non-FMLA/CFRA leave as running concurrently with the employee's 12-week FMLA/CFRA leave entitlement.

D. Ventura River Water District's and Employee's Rights If An Employee Requests Accrued Leave Without Mentioning Either the FMLA or CFRA

If an employee requests to utilize accrued PTO leave or other accrued paid time off without reference to a FMLA/CFRA-qualifying purpose, the District's may not ask the employee if

the leave is for a FMLA/CFRA-qualifying purpose. However, if the District's denies the employee's request and the employee provides information that the requested time off is for a FMLA/CFRA-qualifying purpose, the District may inquire further into the reason for the absence. If the reason is FMLA/CFRA-qualifying, the District's may require the employee to exhaust accrued leave as described above.

3462.7 MEDICAL CERTIFICATION

Employees who request leave for their own serious health condition or to care for a child, parent or a spouse who has a serious health condition must provide written certification from the health care provider of the individual requiring care if requested by Ventura River Water District.

If the leave is requested because of the employee's own serious health condition, the certification must include a statement that the employee is unable to work at all or is unable to perform the essential functions of his/her position.

A. Time To Provide A Certification

When an employee's leave is foreseeable and at least 30 days' notice has been provided, if a medical certification is requested, the employee must provide it before the leave begins. When this is not possible, the employee must provide the requested certification to the District's within the time frame requested by the District's (which must allow at least 15 calendar days after the employer's request), unless it is not practicable under the particular circumstances to do so despite the employee's diligent, good faith efforts.

B. Consequences For Failure To Provide An Adequate Or Timely Certification

If an employee provides an incomplete medical certification the employee will be given a reasonable opportunity to cure any such deficiency. However, if an employee fails to provide a medical certification within the time frame established by this policy, the District's may delay the taking of FMLA/CFRA leave until the required certification is provided.

C. Recertification

If Ventura River Water District has reason to doubt the validity of a certification, the District may require a medical opinion of a second health care provider chosen and paid for by the District. If the second opinion is different from the first, the District may require the opinion of a third provider jointly approved by the District and the employee, but paid for by the District. The opinion of the third provider will be binding. An employee may request a copy of the health care provider's opinions when there is a recertification.

D. Intermittent Leave Or Leave On A Reduced Leave Schedule

If an employee requests leave intermittently (a few days or hours at a time) or on a reduced leave schedule to care for an immediate family member with a serious health condition, the employee must provide medical certification that such leave is medically necessary. "Medically necessary" means there must be a medical need for the leave and that the leave can best be accomplished through an intermittent or reduced leave schedule.

3462.8 EMPLOYEE NOTICE OF LEAVE

Although Ventura River Water District recognizes that emergencies arise which may require employees to request immediate leave, employees are required to give as much notice as possible of their need for leave. If leave is foreseeable, at least 30 days' notice is required. In addition, if an employee knows that he/she will need leave in the future, but does not know the exact date(s) (e.g. for the birth of a child or to take care of a newborn), the employee shall inform his/her supervisor as soon as possible that such leave will be needed. Such notice may be orally given. If the District determines that an employee's notice is inadequate or the employee knew about the requested leave in advance of the request, the District may delay the granting of the leave until it can, in its discretion; adequately cover the position with a substitute.

4362.9 REINSTATEMENT UPON RETURN FROM LEAVE

A. Right To Reinstatement

Upon expiration of leave, an employee is entitled to be reinstated to the position of employment held when the leave commenced, or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment. Employees have no greater rights to reinstatement, benefits and other conditions of employment than if the employee has been continuously employed during the FMLA/CFRA period.

If a definite date of reinstatement has been agreed upon at the beginning of the leave, the employee will be reinstated on the date agreed upon. If the reinstatement date differs from the original agreement of the employee and District's the employee will be reinstated within two business days, where feasible, after the employee notifies the employer of his/her readiness to return.

B. Employee's Obligation to Periodically Report On His/hers Condition

Employees may be required to periodically report on their status and intent to return to work. This will avoid any delays to reinstatement when the employee is ready to return.

C. Fitness-for-Duty Certification

As a condition of reinstatement of an employee whose leave was due to the employee's own serious health condition, which made the employee unable to perform his/her job, the employee must obtain and present a fitness-for-duty certification from the health care provider that the employee is able to resume work. Failure to provide such certification may result in denial of reinstatement.

D. Reinstatement of "Key Employees"

Ventura River Water District may deny reinstatement to a "key" employee (i.e., an employee who is among the highest paid 33.3 percent of all employed by the District) if such denial is necessary to prevent substantial and grievous economic injury to the operations of the District, and the employee is notified of the District's intent to deny reinstatement on such basis at the time the employer determines that such injury would occur.

REQUIRED FORMS

Employees must fill out the following applicable forms in connection with leave under this policy:

1. "Request For Family or Medical Leave Form" prepared by the District to be eligible for leave.
NOTE: EMPLOYEES WILL RECEIVE A DISTRICT RESPONSE TO THEIR REQUEST WHICH WILL SET FORTH CERTAIN CONDITIONS OF THE LEAVE;
2. Medical certification—either for the employee's own serious health condition or for the serious health condition of a child, parent, spouse or domestic partner. (Provided by physician); and
3. Fitness-for-duty to return from leave form. (Provided by physician)

3465 Time Keeping/Time Records

3465.1 It is the responsibility of every non-exempt employee to accurately record time worked. Federal and State laws require VRWD to keep an accurate record of time worked in order to calculate employee pay and benefits. Time worked is the time actually spent on the job performing assigned duties.

3465.2 Overtime compensation will be paid to non-exempt employees. Overtime work must always be approved by a supervisor before it is performed. In accordance with Federal law, VRWD rounds this time to the nearest one-quarter hour/fifteen minutes.

3465.3 It is the employee's responsibility to sign and submit on time his/her time records certifying the accuracy of all time recorded for compensation.

3470 Time Off for Children - School Activities

3470.1 California Law allows a parent or guardian to take up to a total of 40 hours of time off each calendar year (but no more than 8 hours in one month) without pay to participate in their children's activities at school (grades K through 12) or licensed child care provider. The absence is subject to all of the following conditions:

3470.1.1 Employees planning to take time off for school visitations must provide as much advance notice as possible and all requests must be approved by the employee's supervisor;

3470.1.2 If both parents are employed by VRWD, the first employee to request such leave will receive the time off. The other parent will receive the time off only if the leave is approved by his or her supervisor;

3470.1.3 Employees must use accrued PTO or compensatory time off in order to receive compensation for this time off;

3470.1.4 Employees who do not have accrued PTO time or compensatory time off available will take the time off without pay.

3470.2 Suspension

If an employee who is the parent or guardian of a child facing suspension from school is summoned to the school to discuss the matter, the employee should alert his or her supervisor as soon as possible before leaving work. In compliance with California Labor Code Section 230.7, no discriminatory action will be taken against an employee who takes time off for this purpose.

3470.2.1 Employees must use accrued PTO or compensatory time off in order to receive compensation for this time off;

3470.2.2 Employees who do not have accrued PTO time or compensatory time off available will take the time off without pay.

3475 Time Off to Vote

3475.1 VRWD believes that it is the responsibility and duty of employees to exercise the privilege of voting in federal, state or local governmental elections. In accordance with this philosophy, the VRWD encourages voting by mail.

3475.2 All employees should be able to vote either before or after regularly assigned work hours. However, when this is not possible due to work schedules, managers are authorized to grant a reasonable period of time, up to two hours, at the beginning or ending of the work day whichever allows the most free time for voting and the least time off from the regular working day. The employee shall notify their supervisor two days before the election of the need to take time off to vote and provide the reason why they could not vote by mail in advance or reach their polling place between 7:00 am and 8:00 pm without taking time off. Time off for voting shall be and reported and coded appropriately on timekeeping records.

3480.1.1 After two consecutive days of voluntary absence from work without permission, the employee shall be notified in writing (letter, email or text message) that the absence will be considered as resignation if it continues consecutively through the third working day. Said notice shall provide factual evidence that the employee's absence is voluntary and unauthorized and an invitation to the employee to present his/her version of the "facts" at a meeting with the General Manager.

3480.1.1.1 Constructive resignation shall not be determined to have occurred until after the employee has an opportunity to present his/her version of the "facts" at the meeting with the General Manager.

3480.2 The General Manager may, prior to the fact-finding hearing, reinstate the employee who has been voluntarily absent if the employee provides a satisfactory explanation. If the employee is reinstated after providing a satisfactory explanation, back pay for the period of absence may be disallowed, including the employee's use of PTO or compensatory time off time to cover the period of absence.

3480.3 If the General Manager determines, as a result of the evidence presented at the fact-finding hearing, that the employee was voluntarily absent without leave and did not have a satisfactory explanation, the employee shall not be entitled to a post-severance evidentiary hearing and the employee's resignation shall be considered to be effective at the end of the third consecutive day of his/ her unauthorized voluntary absence.

3485 Use of Make-up Time

3485.1 VRWD allows the use of make-up time when non-exempt employees need time off to tend to personal obligations. Use of make-up time is discretionary and subject to preapproval by the General Manager. If employees do not accurately document their working hours and make-up time the privilege of utilizing "make-up time" may be revoked. Make-up time worked will not be paid at an overtime rate.

3485.2 Subject to compliance with this policy, employees may take time off and then make-up the time later in the same workweek, or may work extra hours earlier in the workweek to make-up for time that will be taken off later in the workweek.

3485.3 Make-up time requests must be submitted in writing to your supervisor, with your signature, on the VRWD-provided form. Requests will be considered for approval based on the legitimate business needs of VRWD at the time the request is submitted. A separate written request is required for each occasion the employee requests make-up time.

3485.4 If you request time off that you will make-up later in the week, you must submit your request at least 24 hours in advance of the desired time off. If you request to work make-up time first in order to take time off later in the week, you must submit your request at least 24 hours before working the make-up time. Your make-up time request must be approved in writing before you take the requested time off or work make-up time, whichever is first.

3485.5 All make-up time must be worked in the same workweek as the time taken off. VRWD's seven-day workweek is Sunday through Saturday. Employees may not work more than 40 hours in a workweek as a result of making up time that was or would be lost due to a personal obligation.

3485.6 If you take time off and are unable to work the scheduled make-up time for any reason, the hours missed will normally be unpaid. However, your supervisor may arrange with you another day to make-up the time if possible, based on scheduling needs. If you work make-up time in advance of time you plan to take off, you must take that time off, even if you no longer need the time off for any reason.

3485.7 An employee's use of make-up time is completely voluntary and subject to the ability of the District to accommodate the employee. VRWD does not encourage, discourage, or solicit the use of make-up time off.

3490 Paid Time Off (PTO)

3490.1 This policy shall apply to regular and probationary employees in all classifications.

3490.2 PTO shall be accrued according to the following schedule on an annual basis:

3490.4 At termination of employment for any reason, the District shall compensate the employee for his/her accumulated PTO time at his/her straight time rate of pay at the time of termination.

3490.5 The District will not require an employee to take PTO time in lieu of sick leave during periods of illness. However, the employee may elect to take PTO time in case of extended illness where sick leave has been fully used. The District will not consider granting a leave of absence for medical reasons until all accumulated sick leave and PTO time have been used.

3490.6 If a holiday falls on a workday during an employee's PTO period, that day shall be considered as a paid holiday and not PTO time.

3490.7 Vacations may be scheduled at any time during the year upon written approval of the supervisor or General Manager.

3490.8 Vacations are provided by the District to employees as a period of exemption from work with pay for the purpose of rest, relaxation and recreation. This respite is a benefit and is intended as an aid in maintaining the long-term and consistent productivity and contentment of the employee. As such, pay in lieu of vacation time away from work shall not be permitted except in situations of hardship or accumulation in excess of 200 hours. Said pay off shall be submitted for written approval by the General Manager. Non-emergency pay in lieu of vacation for accumulations greater than 200 hours may be requested during the month of December.

Certification from a recognized medical professional confirming the necessity of the leave must be provided to VRWD within fourteen (14) days after the leave begins. The duration of the leave will be determined on a case-by-case basis, considering both the injured employee's medical condition and VRWD business needs.

3495.2 The employee may elect during such absence to apply sick leave on a prorated basis to such absence and receive compensation in an amount equal to the difference between compensation received as regular salary and the amount received as Workers' Compensation benefits, not to exceed the amount of available accrued sick leave. Similarly, the employee may elect to use any accrued paid leave time and accrued time off after the sick leave is exhausted.

3495.3 The employee may return to work only after a recognized medical professional certifies that the employee is capable of resuming all of the essential functions of the employee's position. VRWD may, in its discretion, provide modified or light duty work if the employee's release contains such limitation. If the employee has been released without limitation, the employee will be offered the same position he or she held previously, unless the job no longer exists or has been filled so that VRWD can operate safely and efficiently or the employment relationship has otherwise been terminated.

3495.4 Workers' compensation leave will run concurrently with any family and medical leave. During the period of leave, VRWD will continue payment of all premiums for employee benefit plans in place at the time the leave begins. VRWD will also continue the employer contribution for employee benefit premiums, as if the employee were not in leave status, for the duration of the leave. Contributions to CalPERS are not made when the employee is on un-paid leave. The employee must reimburse VRWD for any portion of benefits they would have paid through payroll deduction. Such reimbursement must be received by VRWD within 30 days of the date of the invoice or written notification. If VRWD does not receive the reimbursement from the employee within 30 days, VRWD can cancel any policies and/or plans for which they have not been reimbursed.

"Alcohol" is defined as: the intoxicating agent in beverage alcohol, ethyl alcohol, or other low molecular weight alcohol, including methyl or isopropyl alcohol.
- c) Legal Medications. Using or being under the influence of any legally pre-scribed medication(s), or non-prescription medication(s) while performing District business or while on District property is prohibited to the extent that such use or influence affects job safety or effective and efficient job performance. This prohibition includes the use of medically prescribed marijuana. An employee who feels his/her performance of work-related duties may be impaired by use of any legal substance which carries a warning label that indicates that mental functioning, motor skills and/or judgment may be adversely affected should report it to his/her supervisor, and medical advice should be sought before performing work-related duties. In the above instance, an employee using legal prescribed medication or non-prescription medication may continue to work if the supervisor determines that the employee does not pose a safety threat and that job performance is not affected by such use.

3520.1.3 Prohibited Conduct:

- a) Manufacture, Trafficking, Possession and Use. Engaging in unlawful manufacture, distribution or dispensing of a controlled substance or alcohol on District premises, in a District vehicle or while conducting District business off the premises is absolutely prohibited. Violation may result in termination. Law enforcement shall be notified, as appropriate, where criminal activity is suspected. Engaging in unlawful possession or use of a controlled substance or alcohol on District premises, in a District vehicle or while conducting District business off the premises is absolutely prohibited. Violation will result in removal from duty and referral to a Substance Abuse Professional (SAP), and may result in discipline up to and including termination of employment.
- b) Impaired/Not Fit for Duty. Any employee who is reasonably suspected of being impaired, under the influence of a prohibited substance, or not fit for duty shall be removed from job duties and be required to undergo a reasonable suspicion controlled substance or alcohol test. Employees failing to pass this reasonable suspicion controlled substance or alcohol test shall remain off duty and be referred to a SAP. A controlled substance or alcohol test is considered positive (failed) if the individual is found to have a quantifiable presence of a prohibited substance in the body above the minimum thresholds defined in the DOT guidelines.
- c) Alcohol Use. No employee may report for duty or remain on duty when his/her ability to perform assigned functions is adversely affected by alcohol or when his/her breath alcohol concentration is 0.08 or greater. No employee shall use alcohol during working

hours. Violations of this provision is prohibited and will subject the employee to disciplinary action, including removal from duty and referral to an SAP.

- d) Treatment/Rehabilitation Program. An employee with a controlled substance and/or alcohol problem will be afforded an opportunity for treatment in accordance with the following provisions:
- e) Positive Controlled Substance and/or Alcohol Test: A Rehabilitation Program is available for employees who have tested positive for a prohibited substance on a one-time basis only. Employees will be terminated immediately on the occurrence of a second event with a verified positive test result within three years of the first failed test. Program costs and subsequent controlled substance and/or alcohol testing costs will be paid by the employee. When recommended by the SAP, participation and completion of the rehabilitation program is mandatory. Failure of an employee to attend and complete a prescribed program will result in termination from employment. Prior to return-to-duty testing, an employee must follow the rehabilitation program recommended by the SAP and agree to and sign a Return-To-Duty Agreement. The duration and frequency of follow-up testing will be determined by the SAP but will not be shorter than one (1) year or longer than five (5) years.
- f) Voluntary Admittance: All employees who feel they have a problem with controlled substances and/or alcohol may request voluntary admission to a rehabilitation program. Requests must be submitted to the General Manager or his/her designee for review. Program costs and subsequent controlled substance and/or alcohol testing costs will be paid by the employee. An employee completing a rehabilitation program must agree to and sign a Return-To-Duty Agreement, pass a return-to-duty controlled substance and/or alcohol test and be subject to unannounced follow-up testing for thirty-six (36) months following return to duty. A positive result on the return-to-duty test or on the unannounced follow-up tests will result in termination from employment. Participants in the rehabilitation program may use accumulated sick leave, PTO or compensatory time off, if any.

3520.1.4 Notifying The District of Criminal Drug Conviction: Pursuant to the "Drug Free Workplace Act of 1988," any employee who fails to immediately notify the District of any criminal controlled substance statute conviction shall be subject to disciplinary action, up to and including termination of employment.

3520.1.5 Proper Application of the Policy: The District is dedicated to assuring fair and equitable application of this Substance Abuse Policy. Therefore, supervisors are required to administer all aspects of the policy in an unbiased and impartial manner. Any supervisor who knowingly disregards the requirements of this policy, or who is found to deliberately misuse the policy with respect to his/her subordinates shall be subject to disciplinary action, up to and including termination of employment.

3520.1.6 Testing for Prohibited Substances: All employees shall be subject to testing prior to employment and for reasonable suspicion. All employees shall be subject to testing following an accident if there is reasonable suspicion.

Testing shall be conducted in a manner to assure a high degree of accuracy and reliability and using techniques, equipment, and laboratory facilities which have been approved by the Department of Health and Human Services (DHHS), including split-sample testing. All testing will be conducted consistent with the procedures put forth in the DOT guidelines.

An initial controlled substance screen will be conducted on each specimen. For those specimens that are positive, a confirmatory Gas Chromatography/Mass Spectrometry (GC/MS) test will be performed. The test will be considered positive if the controlled substance levels present are above the minimum thresholds established in the DOT guidelines.

Tests for alcohol concentration will be conducted utilizing an approved Evidential Breath Testing device (EBT) operated by a trained Breath Alcohol Technician (BAT). If the initial test indicated an alcohol concentration of 0.02 or greater, a confirmation test will be performed to confirm the result of the initial test.

Any employee who has a confirmed positive controlled substance or alcohol test will be removed from his/her job duties, informed of educational and rehabilitation programs available, and evaluated by an SAP.

The District affirms the need to protect individual dignity, privacy and confidentiality throughout the testing process.

Circumstances under Which Employees May be Tested:

- a) Pre-Employment Testing. Probationary employees who receive a positive alcohol and/or substance abuse test will fail to complete the District's probationary period.
- b) Reasonable Suspicion Testing. All employees will be subject to urine and/or breathe testing when there is a reason to believe that controlled substances or alcohol use is adversely affecting job performance. A reasonable suspicion referral for testing will be made on the basis of documented objective facts and circumstances which are consistent with the effects of substance abuse. Examples of reasonable suspicion include, but are not limited to, the following:
 1. Adequate documentation of unsatisfactory work performance or on-the-job behavior.
 2. Physical signs and symptoms consistent with prohibited substance use.
 3. Occurrence of a serious or potentially serious accident that may have been caused by human error.
 4. Fights (i.e., physical contact), assaults and flagrant disregard or violations of established safety, security, or other operational procedures.

Reasonable-suspicion determinations will be made by a supervisor or General Manager who reasonably concludes that an employee may be adversely affected or impaired in his/her work performance due to prohibited substance abuse or misuse.

- c) **Post-Accident Testing.** Employees will be required to undergo controlled substance and/or breathe alcohol testing if they are involved in an accident with a District vehicle that results in a fatality. In addition, a post-accident test will be conducted if an accident results in injuries requiring transportation to a medical treatment facility; or where one or more vehicles incurs disabling damage that requires towing from the site; or the employee receives a citation under State or local law for a moving traffic violation arising from the accident.

Following an accident, the employee will be tested as soon as possible, but not to exceed eight (8) hours for alcohol and thirty-two (32) hours for controlled substances. Any employee who leaves the scene of the accident without appropriate authorization prior to submission to controlled substance and alcohol testing will be considered to have refused the test and be subject to termination of employment.

- d) **Return-to-Duty Testing.** All employees who previously tested positive for a controlled substance or alcohol test must test negative and be evaluated and released to duty by a SAP before returning to duty. Employees will be required to undergo unannounced follow-up controlled substance and/or alcohol breath testing following returning to duty. The SAP will determine the duration and frequency. However, it shall not be less than six tests during the first 12 months, nor longer than 60 months in total, following return to duty.
- e) **Employee Requested Testing.** Any employee who questions the result of a required controlled substance test may request that an additional test be conducted. This additional test may be conducted at the same laboratory or at a different DHHS certified laboratory. The test must be conducted on the split sample that was provided at the same time as the original sample. All costs for such testing are to be paid by the employee unless the second test invalidated the original test. The method of collecting, storing, and testing the split sample will be consistent with the procedures set forth in the DOT guidelines. The employee's request for a retest must be made to the Medical Review Officer (MRO) within 72 hours of notice of the initial test result. Requests after 72 hours will only be accepted if the delay was due to documentable facts that were beyond the control of the employee.
- f) **Records Retention.** The District shall maintain complete records of alcohol and/or controlled substance test results for each employee in a secure location with controlled access. Employee records are confidential and will be available to the DOT or any state or local officials with regulatory authority over the District or any of its drivers only. Records will be kept for a minimum of five (5) years regarding the following: driver alcohol tests; positive controlled substance tests; documentation on refusals to take alcohol or controlled substance tests; and, employee evaluations and referrals. Records will be kept for a minimum of two (2) years regarding the alcohol and controlled substance collection process. Records will be kept for a

minimum of one (1) year regarding the following: collection process; collection logbooks; documents of random selection process; calibration documents for breath testing device; and, documentation of breath alcohol technician training.

3520.1.7 Employee Assessment: Any employee who tests positive for the presence of controlled substances or whose breath alcohol concentration is above 0.08 will be assessed by a Substance Abuse Professional (SAP). The SAP will evaluate each employee to determine what assistance, if any, the employee needs in resolving problems associated with prohibited substance or alcohol abuse or misuse.

If an employee is returned to duty following rehabilitation, he/she must agree to and sign a Return-to-Duty Agreement, pass a return-to-duty controlled substance and/or alcohol test and be subject to unannounced follow-up tests for a period of one (1) to five (5) years, as determined by the SAP. The cost of any rehabilitation and subsequent controlled substance and/or alcohol testing is borne by the employee and is on a one-time basis only. An employee will be immediately terminated from employment on the occurrence of a second verified positive test result. Employees may use accumulated sick leave, PTO, compensatory time off, if any, to participate in the prescribed rehabilitation program.

3520.1.8 Test Related Time-Off Work Provisions: Any employee who is relieved from duty due to a positive drug or controlled substance test must use accumulated compensated leave (i.e., PTO, sick leave, or compensatory time off, if any) during the regularly scheduled work time missed. If the employee has insufficient accumulated compensated leave to cover the regularly scheduled work time missed due to a positive alcohol or controlled substance test, such time shall be without pay. In the event there is a false positive test the District, upon verification, will compensate the employee for any regularly scheduled work time missed as a result thereof.

3520.1.9 Contact Person: Any questions regarding this policy should be directed to the General Manager or Office Manager

3520.10 Definitions:

- a) Accident - An unintended happening or mishap where there is loss of human life (regardless of fault), bodily injury or significant property damage.
- b) Alcohol - The intoxicating agent in beverage alcohol, ethyl alcohol or other low molecular weight alcohol including methyl or isopropyl alcohol.
- c) Alcohol Concentration - The alcohol in a volume of breath expressed in terms of grams of alcohol per 210 liters of breath as indicated by an evidential breath test under this policy (e.g., 0.02 means 0.02 grams of alcohol in 210 liters of expired deep lung air).
- d) Alcohol Use - Consumption of any beverage, mixture, or preparation, including any medication containing ethyl alcohol. Since ingestion of a given amount of alcohol produces the same alcohol concentration in an individual whether the alcohol comes from a mixed drink or cough syrup, the DOT prohibits the use of any substance containing alcohol, such as prescription or over-the-counter medication or liquor-filled

chocolates. Prescription medications containing alcohol may have a greater impairing effect due to the presence of other elements (e.g., antihistamines).

- e) Breath Alcohol Technician (BAT) - A person trained to proficiency in the operation of the Evidential Breath Testing (EBT) device that the technician is using in the alcohol testing procedures. BAT's are the only qualified personnel to administer the EBT tests.
- f) Chain of Custody - The procedures to account for the integrity of each urine specimen by tracking its handling and storage from point of collection to final disposition.
- g) Collection Site - A place designated by the District where individuals present themselves for the purpose of providing a specimen of urine and/or breath.
- h) Commercial Motor Vehicle - A motor vehicle, or combination of motor vehicles used in commerce to transport passengers or property if the motor vehicle: (1) has a gross combination weight ratio of 26,001 or more pounds inclusive of a towed unit with a gross vehicle weight rating of more than 10,000 pounds; or, (2) has a gross vehicle weight rating of 26,001 or more pounds; or, (3) is designed to transport 16 or more passengers, including the driver; or, (4) is of any size and is used in the transportation of materials found to be hazardous for the purposes of the Hazardous Materials Transportation Act and which require the motor vehicle to be placarded under the Hazardous Materials Regulations.
- i) Confirmation Test - For alcohol testing, a second test following a screening test with a result of 0.02 or greater, that provides quantitative data of alcohol concentration. For controlled substances testing this is a second analytical procedure to identify the presence of a specific drug or metabolite which is independent of the screen test and which uses a different technique and chemical principle from that of the screen test in order to ensure reliability and accuracy. (Gas chromatography/mass spectrometry (CG/MS) is the only authorized confirmation method of cocaine, marijuana, opiates, amphetamines, and phencyclidine.)
- j) Controlled Substance (Drug) Test - A method of detecting and measuring the presence of alcohol and other controlled substances, whether legal or illegal, in a person's body. A controlled substance test may be either an initial test or confirmation test. An initial controlled substance test is designed to identify specimens having concentrations of a particular class of drug above a specified concentration level. It eliminates negative specimens from further consideration.
- k) Covered Employee - A person, including a volunteer or applicant, who performs a work for the District.
- l) Department of Transportation Guidelines - The controlled substance and alcohol testing rules - 49 CFR Part 382 (FWHA - Commercial Motor Vehicle) - setting forth the procedures for controlled substance and alcohol testing (49 CFR Part 40) in all transportation industries.
- m) District - Ventura River Water District.

- q) Evidential Breath Testing Device (EBT) - The device to be used for breath alcohol testing.
- r) Medical Review Officer (MRO) - A licensed physician responsible for analyzing laboratory results generated by the District's substance abuse policy testing program. The MRO is knowledgeable about substance abuse disorders and has appropriate medical training to interpret and evaluate positive test results.
- s) Post-Accident Alcohol and/or Controlled Substance testing - Testing conducted after accidents on employees whose performance could have contributed to the accident. For drivers this is determined by a citation for a moving traffic violation and for all fatal accidents even if the driver is not cited for a moving traffic violation. See "Accident."
- t) Pre-Employment Controlled Substance testing - Testing conducted after an offer to hire has been extended to a job applicant, but before actually performing District functions as an employee.
- u) Prohibited Drugs (Controlled Substances) - Marijuana, cocaine, opiates, amphetamines, or phencyclidine.
- v) Prohibited Substances - Synonymous with drug abuse and/or alcohol misuse or abuse.
- w) Random Alcohol and/or Controlled Substance Testing - Testing conducted on a random unannounced basis.

- z) Rehabilitation - The total process of restoring an employee to satisfactory work performance through constructive confrontation, referral to the SAP and participation in SAP recommendations such as education, treatment and/or support groups to resolve personal, physical or emotional/mental problems which contributed to job problems.
- aa) Return-to-Duty and Follow-Up Alcohol and/or Controlled Substance testing - Testing conducted when an employee who has violated the prohibited alcohol or controlled substance conduct standards returns to performing duties. Follow-up tests are unannounced, and at least six tests must be conducted in the first 12 months after an employee returns to duty. Follow-up testing may be extended for up to 60 months following return-to-duty upon the SAP recommendation.
- bb) Return-to-Duty Agreement - A document agreed to and signed by the General Manager or his/her designee, the employee, and the SAP, that outlines the terms and conditions under which the employee may return to duty after having had a verified positive

- controlled substance test result, or an alcohol concentration of 0.08 or greater on an alcohol test.
- cc) Screening (Initial) Test - An analytical procedure in alcohol testing to determine whether an employee may have a prohibited concentration of alcohol in their system. In controlled substance testing, it is an immunoassay screen to eliminate negative urine specimens from further consideration
 - dd) Substance Abuse Professional (SAP) - A licensed physician (Medical Doctor or Doctor of Osteopathy), or a licensed or certified psychologist, social worker (with knowledge of and clinical experience in the diagnosis and treatment of drug and alcohol related disorders, the license alone does not authorize this), Certified Employee Assistance Professional (CEAP), or addiction counselor certified by the National Association of Alcoholism and Drug Abuse Counselors Certification Commission (NAADAC) with knowledge of and clinical experience in the diagnosis and treatment of alcohol and controlled substances related disorders.
 - ee) Supervisor - Supervisor or General Manager

3520.2 Procedures:

3250.2.1 Reasonable Suspicion Testing:

- a) An employee who may possibly be under the influence of alcohol and/or controlled substances is observed by a supervisor. Any employee may identify someone suspected of alcohol and/or controlled substance abuse to any supervisor (employees should realize, however, that it is against District policy to make false or malicious statements about other employees and doing so can result in disciplinary action). The supervisor must witness first-hand the employee's signs and symptoms.
- b) The supervisor is then obligated to ensure that the matter is immediately investigated. If possible, two supervisors determine (independently or together) that the employee in question may be under the influence of alcohol and/or controlled substances.
- c) When the supervisor(s) suspect and believe that the employee may be under the influence of alcohol and/or controlled substances, the employee is then immediately suspended from duty (with pay) and driven by a District employee (or others designated) to the District specified collection site. Because of a testing facility requirement, the employee in question must show proof of identification, such as a driver's license photo or state-issued photo identification card. Whenever practical, the General Manager (or his/her designee) should be notified in advance of the employee being taken to the collection site.
- d) At the collection site, the employee will be required to submit a urine sample in the event that controlled substances are suspected, or a breath sample in the event that alcohol intoxication is suspected by the on-duty technician. Care will be taken to provide the employee with maximum privacy without compromising the integrity of the sample.
- e) The District will take precautions to prevent the employee being tested from going back to work and driving their own car home if any of the tests are positive. Instead, the employee will be taken home from the collection by a District employee (or others designated).

- f) The employee whose test results are negative (0.02 alcohol concentration or less) will be reinstated immediately. The employee whose confirmation test results indicate an alcohol concentration greater than 0.02 but less than 0.08, will not be permitted to return to duty for twenty-four (24) hours after administration of the test. The employee whose confirmation test result indicates an alcohol concentration of 0.08 or greater for alcohol will be referred to a District specified SAP who will assess the employee's condition and make a recommendation for treatment which, if accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination of employment.
- g) The employee whose controlled substance test results are verified negative will be reinstated immediately. The employee whose controlled substance test is verified positive by the Medical Review Officer will be referred to a District specified SAP who will assess the employee's condition and make a recommendation for treatment which, if accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination of employment.

3520.2.2 Random Testing:

- a) The compliance company notifies the General Manager, who in turn notifies the supervisor to send the employee to the collection site for alcohol and/or controlled substance testing.
- b) The supervisor notifies the employee to go to the collection site for alcohol and/or controlled substance testing immediately. Because of a testing facility requirement, the employee sent to the collection site must have proof of identification, such as a drivers license photo or state-issued photo identification card.
- c) At the collection site, the employee will be required to submit a urine sample (in the event that controlled substances are to be tested for) or a breath sample (in the event that alcohol is being tested for) to the on-duty technician. Care will be taken to provide the employee with maximum privacy without compromising the integrity of the sample.
- d) The employee whose test results are negative (0.02 alcohol concentration or less) will be released to return to work. The employee whose confirmation test results indicate an alcohol concentration greater than 0.02 but less than 0.08, will not be permitted to return to duty for 24 hours after administration of the test. The employee whose confirmation test result indicates an alcohol concentration of 0.08 or greater will be referred to a District specified SAP who will assess the employee's condition and make a recommendation for treatment which, if accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination of employment.
- e) The employee whose controlled substance test results are verified negative will be released to return to work. The employee whose controlled substance test is verified positive by the Medical Review Officer will be referred to a District specified SAP who will assess employee's condition and make a recommendation for treatment which, if

accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination of employment.

3520.2.3 Post- Accident:

- a) The employee notifies a supervisor that an accident has occurred.
- b) The supervisor determines that the circumstances of the accident warrant a post-accident test when a citation was issued or a fatality occurred. Thereafter, the supervisor directs the employee to immediately be taken to the collection site for alcohol and controlled substance testing. Because of a testing facility requirement, the employee in question must have proof of identification, such as a driver's license photo or state-issued photo identification card.
- c) At the collection site, the employee will be required to submit a urine sample for controlled substances and a breath sample for alcohol testing to the on-duty technician. Care will be taken to provide the employee with maximum privacy without compromising the integrity of the sample.
- d) The General Manager (or his/her designee) will be notified that an accident has occurred and that the employee was instructed to go to the collection site.
- e) The employee whose test results are negative (0.02 alcohol concentration or less) will be released to return to work. The employee whose confirmation test results indicate an alcohol concentration greater than 0.02 but less than 0.08, will not be permitted to return to duty for 24 hours after administration of the test. The employee whose confirmation test result indicates an alcohol concentration of 0.08 or greater will be referred to a District specified SAP who will assess the employee's condition and make a recommendation for treatment which, if accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination.
- f) The employee whose controlled substance test results are verified negative will be released to return to work. The employee whose controlled substance test is verified positive by the Medical Review Officer will be referred to a District specified SAP who will assess the employee's condition and make a recommendation for treatment which, if accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination of employment.

3520.2.4 Return-To-Duty and Follow Up

- a) The employee notifies a supervisor that an accident has occurred. The supervisor determines that the circumstances of the accident warrant a post-accident test when a citation was issued or a fatality occurred. Thereafter, the supervisor directs the employee to immediately go to the collection site for alcohol and controlled substance testing. Because of a testing facility requirement, the employee in question must have proof of identification, such as a driver's license photo or state-issued photo identification card.

- b) At the collection site, the employee will be required to submit a urine sample for controlled substances and a breath sample for alcohol testing to the on-duty technician. Care will be taken to provide the employee with maximum privacy without compromising the integrity of the sample.
- c) The General Manager (or his/her designee) will be notified that an accident has occurred and that the employee was instructed to go to the collection site.
- d) The employee whose test results are negative (0.02 alcohol concentration or less) will be released to return to work. The employee whose confirmation test results indicate an alcohol concentration greater than 0.02 but less than 0.08, will not be permitted to return to duty 24 hours after administration of the test. The employee whose confirmation test result indicates an alcohol concentration of 0.08 or greater will be referred to a District specified SAP who will assess the employee's condition and make a recommendation for treatment which, if accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination.
- e) The employee whose controlled substance test results are verified negative will be released to return to work. The employee whose controlled substance test is verified positive by the Medical Review Officer will be referred to a District specified SAP who will assess the employee's condition and make a recommendation for treatment which, if accepted by the District, must be followed by the employee. Failure to follow the accepted recommendations or refusal to submit to return-to-duty and unannounced follow-up testing will result in the employee's termination of employment.

3520.2.5 Chain of Custody for Controlled Substance Specimens:

- a) At the time a specimen is collected, the employee will be given a copy of the specimen collection procedures.
- b) Urine will be in a wide-mouthed clinic specimen container which will remain in full view of the employee until split, transferred to, sealed and initialed in two tamper-resistant urine bottles.
- c) Immediately after the specimens are collected, the urine bottles will, in the presence of the employee, be labeled and then initialed by the employee. If the sample must be collected at the site other than the controlled substance and/or alcohol testing laboratory, the specimens will then be placed in the transportation container. The container will be sealed in the employee's presence and the employee will be asked to initial or sign the container. The container will be sent to the designated testing laboratory on that day or the earliest business day by the fastest available method.
- d) A chain of custody form will be completed by the on-duty technician during the specimen collection process and attached to and mailed with the specimen.

3520.2.6 Specimen Collection of Strange and/or Unrecognizable Substances:

- a) An employee is observed with a strange and/or unrecognizable substance.

- b) The supervisor, in the presence of a witness, places the strange and/or unrecognizable substance into a clear plastic bag. The bag is sealed, labeled and signed by both the supervisor and the witness.
- c) An incident report is written by the supervisor and signed by both the supervisor and the witness.
- d) The plastic bag containing the specimen and a copy of the incident report is taken to the collection site for transportation to the laboratory for analysis.

3520.2.7 Alcohol Concentration:

- a) The employee and the on-duty Breath Alcohol Technician (BAT) complete the alcohol testing form to ensure that the results are properly recorded.
- b) After an explanation of how the breathalyzer works, an initial breath sample is taken.
- c) If the results of the initial test show an alcohol concentration of 0.02 or greater, a second or confirmation test must be conducted. The confirmation test must not be conducted less than fifteen (15) minutes after, nor more than twenty (20) minutes after the screening test.
- d) The confirmation test will utilize Evidential Breath Testing (EBT) devices that print out the results, date and time, a sequential test number, and the name and serial number of the EBT device to ensure the reliability of the results.

3520.2.8 Deviations from Procedures: Unless otherwise provided in DOT guidelines, deviations from the foregoing procedures shall not invalidate the results of any prohibited substance tests verified positive by the Medical Review Officer.

3525 Workplace Violence Prevention Policy

Such conduct by a District employee will not be tolerated. An employee who exhibits violent behavior may be subject to criminal prosecution and shall be subject to disciplinary action up to and including termination. Violent threats or actions by a non-employee may result in criminal prosecution. The District will investigate all complaints filed and will also investigate any violation of this policy of which District management are made aware.
