

Defective Barcode on Water Statement

There is an error on the barcode above our return address on our billing statements which is causing significant mail delays. If you mail a payment, please either use an envelope and hand write our address or block out the barcode. Thank you for your patience. The statement that comes out on December 1, 2020 will have the correct barcode and this will no longer be an issue.

If you have questions please call (805) 646-3403 or email: Amy@VenturaRiverWD.com

Please check box below and fill out information on back to:
